When: Monday, May 7, 2018 11:00 AM-12:30 PM (UTC-07:00) Mountain Time (US & Canada).

I have a doctor's appointment—but very interested in discussions. Hopefully we can catch the bus together or meet up for lunch. Especially interested in understanding the ESA/NHPA process.

Also, I don't know what I was thinking—I won't be ready this week to brief out on the permit. At minimum, need another week---I'll keep you posted on progress. Have only scratched the surface so far.
